

SEERRIN
SOUTH EAST EUROPE RAIL RESEARCH AND INNOVATION NETWORK

We are pleased to invite you to join us for a SEERRIN Innotrans Workshop on **Thursday 22 September 2022 at 1100am** at the Birmingham Centre for Railway Research & Education stand
(Hall A City Cube, stand 630)

Mr Dragoljub RAJIC (Rail Cluster for South East Europe) and Mr Alexander BURROWS (BCRRE) will present the South East Europe Rail Research and Innovation Network and our plans for the development of SEERRIN and how it will support the development of the regional rail industry and regional railway operations.
