

We are pleased to introduce the [3rd RAILWAY Supplier Summit](#), taking place on May 14th and 15th in Vienna. This exclusive event brings together the international procurement elite to discuss the latest trends and strategies in procurement and technology.

Our Highlight: The Top 6 Procurement and Technology Speakers

- **Valérie Giraudon** - Chief Procurement Officer, **SNCF Réseau**, gives an exclusive Supply Chain update
- **Jan Grothe** - Chief Procurement Officer, **Deutsche Bahn**, discussing agile and resilient European rail supply chains
- **Agustin Escobar** - CEO of Rail Infrastructure, **Siemens Mobility**, focusing on the railway infrastructure of the future
- **Stefan L. Braun** - Chief Procurement Officer, **ÖBB**, sharing insights on strategic procurement
- **Rory Lamont** - Chief Procurement Officer, **Siemens Mobility**, discussing procurement strategies in the rail industry
- **Frank Sperlich** - CPO D-A-CH and D&I ambassador, **Alstom**, highlighting procurement innovations

Discounted Tickets for Your Network

Due to the exclusive nature of this event, which is limited to **only 200 attendees**, we can unfortunately only offer **five discounted tickets** to RCSEE members. This limited availability ensures an intimate and focused networking experience, allowing for meaningful connections with industry leaders. We believe this opportunity will be highly beneficial for your network members.

Secure Your Complimentary Ticket and Discounted Tickets Today!

To receive the codes for the discounted tickets, please contact welcome@rcsee.org by end of the week. We look forward to welcoming you and your network members in Vienna!
